

ALLEGED FORGER IS HELD AT DYERSBURG

NEWBERN, Tenn., July 7. (Sp.)—George Murray, who says he came from Oklahoma, was arrested in Memphis Saturday by plain clothes officers and was returned to Newbern by Chief R. L. Towns, of this city, to stand trial for forgery.

Murray came here several days ago, and proposed to buy several tracts of land through the Newbern Realty company, and it is alleged that he gave the firm a worthless check for about \$300 and went to Memphis. He was tried here before Mayor H. N. Williams who fixed his bond at \$1,000, and placed in the city lockup. He was later carried to Dyersburg and placed in jail to await the action of the grand jury. He is a former resident of this section. It is said that he is wanted in Clarksville, Miss., on a similar charge.

BROWNING, CANDIDATE, SPEAKS AT SAVANNAH

SAVANNAH, Tenn., July 7. (Sp.)—Capt. Gordon Browning, candidate for congress, was in Savannah Monday and spoke to a good crowd in the court house. He made an excellent speech and there were many expressions complimentary to it and several who have heretofore been silent spoke very favorably and promised to vote for him in the August election.

He has a speaking tour in Hardin county for this week. He spoke at Nixon Monday night and Pickwick Tuesday at 1 o'clock and Towne town at night. July 7 he addressed the Childress Hill community and Shiloh park at night. He will be at the village of Crump Thursday and from there he will go to Safford, making a complete round of the Democratic communities in this county.

It is believed that he will be a close second to Mr. Sims in this county.

NEAR-COPPER DRAWS \$25 FINE IN COURT

Charles Hudnall, near-copper, heard City Judge Barker Tuesday afternoon say: "Hudnall was fined on a charge of disorderly conduct growing out of alleged activities in endeavoring to bring about a divorce between a man, who appeared in court against Hudnall and his wife."

Hudnall, former soldier, was taken on the police force and given a star but never went to work. He was dismissed Monday when Chief Burney heard of his activities.
